As a Henry Ford team member, you can purchase the Henry Ford Virtual Exam Kit powered by TytoCare through payroll deduction. This FDA-cleared device gives you remote access to the most common medical exams from the comfort of your home.

Why do I need a Henry Ford Virtual Exam Kit?

- **Convenience** - Access the care your family needs from the comfort of your home
- **Saves time** - Avoid multiple trips to the doctor's office for recurring issues like ear infections or strep throat
- **Stay safe** - Stay at home when you're feeling unwell to protect yourself and others

You can purchase your exam kit for \$199 via [employee self-service](#) and select the total amount you would like deducted from each pay check. [Click here](#) for directions on how to purchase TytoCare.

The Henry Ford Virtual Exam Kit is also an eligible expense for health savings accounts (HSA) and flexible spending accounts (FSA). Just like paying for a new pair of glasses or taking care of your latest dental bill, you can use your HSA or FSA dollars on a Henry Ford Virtual Exam Kit so that you always have access to medical care, wherever you are.

If using an FSA, you need to spend down your balance by March 15, 2022.
